

## THE MOORILDA HISTORY PROJECT - FAMILIES

The Moorilda History Project is the story of Moorilda from its beginnings as **Teapot Swamp** in the 1830s to the present. The book will include the school, mill, store, inn and the churches. Sandra is seeking photos, letters and stories from the descendants of the families who lived in the area, including but not limited to those listed below. All assistance will be gratefully accepted and acknowledged in the book.

If you do have some memories you would be willing to share please contact Sandra on email [ratsarnd@bigpond.com](mailto:ratsarnd@bigpond.com) or 02 63681053
